<u>I. Sentara</u>	It was suggested that the Team re-emphasize their support of the City/School option for the reuse of the Sentara property to City Council.	<p>It was decided that the Team would show their support by drafting another letter of support that would be sent to City Council and attending the January 23 Council meeting.</p> <p>Those involved in the City/School proposal need to be notified about GWAPT's support at the Council meeting.</p>	<p>Red will send the letter to City Council/Before January 23 Council Meeting.</p> <p>Red and Randy Gilliland will contact Allen Davis and Jay Joseph.</p>

<u>II. Greenlawn</u>	The Greenlawn rezoning is a work priority for GWAPT.	The Land Use Subcommittee will work on this and report their progress back to the Team.	It was suggested that members of the Land Use Subcommittee visit the area under consideration for rezoning.
<u>III. Prioritize Strategies</u>	The strategies from Phase I and Phase II were reviewed and evaluated to determine whether they have been accomplished, are still a work in progress or still need to be addressed.
